Room 159, Kolligian Library, UC Merced

MINUTES

I. Call to Order, Introductions & Approval of Minutes

9:30 – 9:35 a.m.

Sam Fong
Vice President, UCMAA Board

Sam Fong motioned to accept minutes. Jackie Shay seconded motion.

II. Priorities for Development & Alumni Relations

9:35 – 10 a.m.

Kyle Hoffman
Vice Chancellor, Development & Alumni Relations

Vice Chancellor Hoffman reported on his experiences with alumni pioneers and his excitement of supporting our university’s growth moving forward. He emphasized that he does not want us to use our small numbers as an excuse for not being successful; in fact, he views our small numbers as a great opportunity for us to think outside the box and approach our alumni relations program in a non-traditional way.

Vice Chancellor Hoffman also shared information about the growth of campus, our increased enrollment numbers and our new budget process. One highlight of the budget is that funding has been approved for an enhanced online giving website.

Uday Bali asked about transportation from off campus to on campus and whether or not there were plans to increase busses to response to enrollment growth.

Uday asked if our new budget process could be attributed to our Chancellor’s leadership. Vice Chancellor Hoffman affirmed that she led this charge.

Josh Franco asked about our budget – percentage of hard money, soft money and what revenues we have to support our budget. Vice Chancellor Hoffman shared that previously it was all cobbled together from soft money, but now it’s designated hard money with revenues from the gift processing fee.

III. Alumni Giving at UC Merced

10 – 10:15 a.m.

Michelle Downer
Director of Annual Giving & Stewardship

Michelle Downer shared her personal path to supporting higher education and her passion for her work. She also encouraged alumni understanding of her definition of stewardship: thanking donors in appropriate and meaningful ways for their gifts.

In the three months Michelle has been in this role, she’s done a lot of information gathering on what are our short and long term needs for stewardship and annual giving. In the next few weeks, she plans to move into planning for annual and alumni giving.

Michelle wants to help alumni who want to give back to contribute to UC Merced. This is where the Alumni Board can help her develop shared roles, timelines and roles and responsibilities for the Alumni Board in this plan.

Sam Fong asked how many alumni have given and what the alumni giving percentage was for the year. Sixty-two alumni made gifts to UC Merced between July 1, 2012 and June 30, 2013, a total of 2.8 percent of the alumni association.
Josh F. asked about long term donation approaches to the University. We have several ambitious alumni in this group and he encouraged sharing large-scale donation opportunities with alumni to plan for future large gifts.

Michelle Downer shared her excitement about the new online giving web site and the opportunity to incorporate recurring giving through this system. It is an investment in our alumni for the years ahead.

Sam Fong is also excited about recurring online giving, excited to see what programs are developed and implemented to steward and recognize alumni donors.

Michelle Downer asked if there were any alumni board members who would like to work with her on alumni giving. Both James Kirby and Keith Ellis expressed an interest.

VI. UCMAA Financial Planning Subcommittee Report  

Keith Ellis

10:15 – 10:30 a.m.  

UCMAA Board Member

Keith Ellis shared notes from the UCMAA Financial Planning Subcommittee meetings.

In regards to next steps, the Committee intends to do the following:

1) **Alumni Survey:** Work with the Alumni Relations Office to develop a survey for distribution to alumni to learn more about their programming, giving and membership attitudes.
2) **Alumni Giving Committee:** Work with the Annual Giving and Stewardship Office to develop a recurring opportunity for dialogue and development of giving strategies.
3) **Online Automatic Recurring Giving:** Continue to advocate for a new online giving system that will better serve the needs of our alumni and the University.
4) **Alumni Benefits Outreach:** Work with the Alumni Relations Office to determine the top benefits to pursue for the association.
5) **Chapter Funding Plans:** Work with current chapter leads to discuss the development of a sustainable chapter program.

Josh Franco expressed his concerns with ensuring the survey was a representative sample with appropriate questions. It should be professionally done or professionally advised.

Keith Ellis shared information about other surveys that have been submitted to alumni that we have data on but that we need to ask some more specific questions regarding our needs.

V. Student Alumni Relations Subcommittee Report

Chris Abrescy

10:30 – 10:45 a.m.  

UCMAA Board Member

Chris discussed the new Alumni Advisors program being launched this Fall and expressed the committee's feedback on the initiative.

Uday Bali suggested that the Alumni Advisor be asked to write a letter of recommendation for the student at the end of the semester-long program and that Alumni Advisees be asked to write up short summaries of the meetings to be shared with the Student Alumni Relations Committee in further review of the program.

Josh Franco asked that it not be mandatory to upload a resume but allow for the opportunity to link to an online resume or CV.

Kevin Rico encouraged a broad variety of conversation between Advisors and Advisees including job search strategies. Several board members agreed that a variety of topics could be discussed and that Advisors shouldn’t be required to discuss a certain topic.

BREAK – 10:55 – 11 a.m.

VII. Regional Programs Review  

James Kirby
10:55 – 11:05 a.m.  

James Kirby reported that there had been five alumni programs since their last meeting in April and that there were seven events planned for the next month plus athletic events in several areas across the California.

The Nominations Committee recommended six members for the Board and distributed information on those six members for Board review. Keith Ellis motioned to approve the six members the Nominations Committee had selected. Jackie Shay seconded. All in favor – unanimous. Motion passes.

Josh Franco shared that one of the reasons we were presenting these options to the Board was in regards to the Board’s request for a representative Board – specifically in regards to sex.

Josh F. motioned to nominate Candidate 1 to the Board. Keith Ellis seconded. All in favor of - unanimous. Motion passes.

Keith Ellis motions to approve both remaining candidates for Board service. There was no second.

IX. AAUC Meeting Review  
11:20 – 11:30 a.m.  

Uday Bali

Uday Bali attended the May AAUC meeting at UC Berkeley. One of the best outcomes was that the other UC Alumni Board Presidents offered to host UC Merced Alumni Board members at their Board meetings in the year ahead so the Board can get a feeling for what they’re discussing, what challenges they’re having and how we could best avoid those challenges.

Heather’s working to secure that schedule and will be distributing it once received.
